

4-H DEFERRED CHARGE ACCOUNT GUIDELINES AND APPLICATION

1. Parents or Legal Guardians **MUST** have a 30-day charge account with Rocky Mountain Supply, Inc. which entails filling out a credit application and a good credit rating. A copy of parent's/legal guardian's driver's license(s) is required. Parents will ultimately be responsible for all charges made in relation to the 4-H project.
2. 4-H accounts are subaccounts to the parent/legal guardian's 30-day charge accounts. We can only have one (1) 4-H subaccount per parent/legal guardian's 30-day charge account. If there are multiple children, they would all be on the same 4-H subaccount, and for patronage purposes, we will need to know whose Social Security Number to put on the 4-H subaccount.
3. Purchases may only be for items related to the 4-H animal.
4. Statements will be mailed out each month, and available online, which enables you to track purchases. All purchases will be carried with **NO FINANCE CHARGES**, until the month during which the animal is sold, (no later than October 15th).
5. If the account is not paid within a reasonable amount of time after the sale of the animal, then the balance of the 4-H account will be transferred to parents account, where finance charges will be assessed.
